Gold-rated Eco leather
Made from durable, vegetable-tanned Eco leather sourced from the Netherlands, the case develops a rich colour and distinctive patina over time. The leather is gold-rated and meets the highest environmental standards.

MagSafe compatibility
The case supports fast, convenient wireless charging and works with MagSafe accessories. Machined metal buttons are dyed to match the leather and respond precisely to each press.

Raised leather bezel for screen protection
A 1 mm raised leather bezel helps protect the screen from scratches by keeping it clear of abrasive surfaces when the phone is placed face down.

Raised camera surround for lens protection
A raised surround helps protect the camera lenses from contact with surfaces and everyday wear.

Ultra-slim, lightweight design
Fully wrapped in premium leather, the case maintains your phone’s slim profile and adds minimal weight.
