MagSafe Compatible
The UAG Plyo MagSafe case is designed to work seamlessly with MagSafe-compatible wireless chargers and magnetic accessories. This ensures that your iPhone 16 Pro charges efficiently and securely every time. Plus, it supports Apple Pay, adding another convenience layer for everyday transactions.

Featherlight and Durable
Weighing in at only a few grams, the UAG Plyo MagSafe for iPhone 16 Pro offers an incredibly lightweight construction. Despite its minimal weight, the case boasts an impact-resistant soft core that delivers reliable protection against everyday bumps and drops. This perfect blend of lightness and durability provides robust defence without the added bulk.

Enhanced Impact Resistance
The reinforced TPU bumpers in the Plyo Series absorb and disperse impacts, safeguarding your iPhone 16 Pro from shocks and drops. This added layer of protection ensures your device can withstand the rigours of daily use, keeping it safe even in unexpected situations.

Lanyard Anchor Points
For those who prefer an extra level of security, the UAG Plyo MagSafe case features integrated lanyard anchor points. These points offer added convenience and security, providing an easy way to attach a lanyard (sold separately) and keep your phone close at hand.

16 ft. Drop Protection
Independently tested to withstand drops up to 16 feet (4.9 meters), the UAG Plyo MagSafe case meets MIL-SPEC 810G-516.6 standards. This ensures that your iPhone 16 Pro remains protected even in the most rugged conditions, giving you peace of mind wherever your adventures take you.
