- Eco-Friendly Construction

MagSafe Compatible

Experience effortless wireless charging with the UAG Pathfinder case, designed to perfectly align with MagSafe compatible chargers. The integrated built-in magnet module ensures your iPhone 16e securely locks in place for seamless charging and full Apple Pay functionality.

Featherlight and Durable

Constructed with ultra-lightweight yet strong materials, the UAG Pathfinder case provides reliable protection without adding bulk. Its impact-resistant soft core ensures your device remains protected from everyday hazards.

Enhanced Impact Resistance

Our case features reinforced TPU bumpers that effectively absorb and disperse impact forces. This advanced protection safeguards your device from drops and shocks, providing peace of mind wherever your adventures take you.

Lanyard Anchor Points

For added security and convenience, the UAG Pathfinder includes integrated lanyard anchor points. Although the lanyard is not included, these points allow for easy attachment to ensure your phone stays within reach.

Eco-Friendly Construction

Urban Armor Gear is committed to sustainable practices. The Pathfinder case is made with 50% post-consumer recycled materials, delivering high-performance protection that cares for our planet.
