Mujjo Leather Case for iPhone 18 Pro Max / 17 Pro Max - Black

Mujjo's Leather Case for iPhone 18 Pro Max / 17 Pro Max in Black combines premium Velore leather with a minimalist design. Made from Danish calfskin and incorporating recycled materials, it offers durable protection with a smooth leather finish.

- Premium Velore leather
- Machined metal buttons
- Machined metal camera bump
- Japanese microfibre lining
- MagSafe compatible
- B Corp certification

Premium Velore leather
Crafted from fine-grain Danish calfskin, the Velore leather is tanned using waterless DriTan™ technology, eliminating water waste and creating a smooth finish. Over time, the leather develops a rich patina that gives your case its own character.

Machined metal buttons
The machined metal side buttons deliver a precise, responsive click and complement the case's minimalist design. Cases for iPhone 17 models feature these buttons for durability and responsiveness.

Machined metal camera bump
A machined recycled aluminium camera bump provides raised protection for the rear camera lenses and adds durability to the case. The aluminium helps protect against bumps and scratches, while a 1 mm raised leather bezel helps protect the screen.

Japanese microfibre lining
The premium Japanese microfibre lining is made from a thin, lightweight recycled fabric with a soft, satin-like finish. It cushions and protects your iPhone 18 Pro Max / 17 Pro Max.

MagSafe compatible
Built-in magnetic technology supports fast wireless charging and compatibility with all MagSafe accessories. The case also leaves the charging port unobstructed.

Designed with sustainability in mind
Mujjo is B Corp certified and continues to work towards improved sustainability. The case incorporates recycled materials in its metal buttons, camera bump, microfibre lining and leather-wrapped polycarbonate shell to help reduce its environmental footprint.
