Mujjo Velore Leather Case for iPhone 18/17 Pro Max with MagSafe - Bronze Red

Mujjo's Leather Case for iPhone 18 Pro Max / 17 Pro Max in Bronze Red combines premium Velore leather with durable protection and a minimalist design. Made from fine-grain Danish calfskin and incorporating recycled materials, it balances a refined finish with everyday functionality.

- Premium Velore leather
- Machined metal buttons
- Machined metal camera bump
- Japanese microfibre lining
- MagSafe compatible
- B Corp certification

Premium Velore leather
The case is crafted from fine-grain Danish calfskin, tanned using waterless DriTan™ technology to eliminate water waste. The smooth Velore leather develops a rich patina over time, giving each case its own character.

Machined metal buttons
The machined metal side buttons offer precise responsiveness and a satisfying click. Their durable construction complements the case's minimalist design, including on the iPhone 17 models.

Machined metal camera bump
A raised camera bump made from machined recycled aluminium protects the rear camera lenses against bumps and scratches and adds durability to the case. A 1 mm raised leather bezel helps protect the screen.

Japanese microfibre lining
The interior is lined with premium recycled Japanese microfibre. Slim, lightweight and soft, this fabric has a satin-like finish and provides padded protection for your iPhone 18 Pro Max / 17 Pro Max.

MagSafe compatible
Built-in magnetic technology supports fast wireless charging and compatibility with all MagSafe accessories. The case also leaves the charging port unobstructed.

Recycled materials and B Corp certification
Mujjo is B Corp certified and continues to work towards greater sustainability. The case incorporates recycled materials in its metal buttons, camera bump, microfibre lining and leather-wrapped polycarbonate shell to help reduce its environmental footprint.
