

UAG Plasma XTE MagSafe Case for iPhone 18 Pro Max / 17 Pro Max - Ash Titanium

Make your iPhone 18 Pro Max / 17 Pro Max tougher, smarter, and easier to use. The Plasma XTE MagSafe Case blends featherlight construction with serious drop protection, a built-in metal kickstand for hands-free viewing, and powerful MagSafe compatibility so you stay connected, charged, and protected all day.

- MagSafe compatible for effortless charging and accessories
- Integrated metal kickstand for hands-free portrait and landscape viewing
- 6.1 meter drop protection with reinforced impact resistance
- Protective screen surround with oversized tactile buttons
- Lanyard card compatible for added security and convenience

MagSafe compatible for effortless charging and accessories

The built-in magnetic module aligns securely with MagSafe chargers and accessories, delivering fast, reliable wireless charging without removing the case. It also supports Apple Pay, so you can tap and go with confidence.

Integrated metal kickstand for hands-free portrait and landscape viewing

Snap out the sturdy metal kickstand to stream, video call, or capture content hands-free. Designed for stability in both portrait and landscape modes, it keeps your phone propped at comfortable viewing angles wherever you are.

6.1 meter drop protection with reinforced impact resistance

Engineered to absorb and disperse shock, the Plasma XTE combines a featherlight composite shell with reinforced TPU bumpers and advanced air-soft corners. It is independently tested to withstand drops up to 6.1 meters and meets 5X MIL-STD 810G 516.6 standards for rugged reliability.

Protective screen surround with oversized tactile buttons

A raised screen surround helps shield your display from face-down drops and surface scratches. Ultra-responsive oversized buttons deliver a crisp, satisfying click for precise control even with gloves or wet hands.

Lanyard card compatible for added security and convenience

Keep your device secure and accessible by attaching a lanyard or wrist strap. Perfect for travel, commuting, or active use when you want extra peace of mind. Lanyard not included.
