Make your iPhone 17 Pro Max smarter, safer, and sleeker with UAG's Plyo MagSafe case. This light tweight, transparent shell showcases your device with a striking Ice/Rose Gold finish, adds rugged drop protection without bulk, and snaps securely to MagSafe accessories so you can power through your day with style and confidence.

- MagSafe ready with strong magnetic alignment
- Rugged drop protection in a slim, lightweight build
- Ice/Rose Gold design that shows off your iPhone
- Scratch-resistant, grippy materials for everyday carry
- Raised edges for enhanced screen and camera protection

MagSafe ready with strong magnetic alignment
Built-in magnetic components create a secure, precise lock with MagSafe chargers, wallets, and mounts. Enjoy faster, hassle-free snap-on charging and stable accessory attachment, all while keeping your iPhone protected.

Rugged drop protection in a slim, lightweight build
UAG's Plyo architecture blends impact-resistant materials with shock-absorbing corners to help defend against everyday drops and bumps. The slim profile slides easily into pockets and bags, delivering serious protection without the bulk.

Ice/Rose Gold design that shows off your iPhone
The translucent finish shifts from Ice/Rose Gold to highlight your device's original look with a modern, minimalist gradient. It's a refined style that complements your phone rather than covering it up.

Scratch-resistant, grippy materials for everyday carry
Durable, scratch-resistant surfaces help keep your case looking fresh, while a textured, non-slip grip gives you more confidence in one-handed use, commutes, and workouts.

Raised edges for enhanced screen and camera protection
A thoughtfully elevated bezel surrounds the display and camera array to help reduce contact with surfaces when placed face down or set on a table, adding an extra layer of day-to-day defense.
