Mujjo Leather Case for iPhone 18 Pro / 17 Pro with MagSafe - Black

Mujjo's Leather Case for iPhone 18 Pro / 17 Pro in Black combines premium Velore leather with a minimalist design and everyday protection. Made with Danish calfskin and recycled materials, it offers a smooth finish, responsive metal buttons and MagSafe compatibility.

- Premium Velore leather
- Machined metal buttons
- Machined metal camera bump
- Japanese microfibre lining
- MagSafe compatible
- B Corp certification

Premium Velore leather
Crafted from fine-grain Danish calfskin, Velore leather has an exceptionally smooth feel. It is tanned using waterless DriTan™ technology, eliminating water waste during tanning. Over time, the leather develops a rich patina that gives each case its own character.

Machined metal buttons
The machined metal side buttons provide a precise, responsive click and complement the case's minimalist design. On cases for iPhone 17 models, these buttons enhance durability and responsiveness.

Machined metal camera bump
A raised camera bump made from machined recycled aluminium protects the rear camera lenses from bumps and scratches and adds durability to the case. A 1 mm raised leather bezel helps protect the screen.

Japanese microfibre lining
The interior is lined with premium Japanese microfibre. This thin, lightweight recycled fabric has a soft, satin-like finish that cushions and protects your iPhone 18 Pro / 17 Pro.

MagSafe compatible
Built-in magnetic technology supports fast wireless charging and compatibility with all MagSafe accessories. The case also leaves the charging port unobstructed.

More sustainable materials
Mujjo is B Corp certified and continues to work towards improved sustainability. These iPhone cases use recycled materials in the metal buttons, camera bump, microfibre lining and leather-wrapped polycarbonate shell to help reduce their environmental footprint.

Package includes

- 1x Mujjo Leather Case for iPhone 18 Pro / 17 Pro - Black
- 1x User manual
