This groundbreaking case combines advanced protection with style, ensuring your iPhone 17 Pro remains safe without compromising on aesthetics.

- Military-grade protection
- Sleek kevlar design
- MagSafe compatibility
- Precise cut-outs for full functionality
- Lightweight and slim profile

Military-grade protection

The UAG Metropolis LT case offers military-grade drop protection, shielding your iPhone 17 Pro from accidental drops, bumps and knocks. Designed to meet or exceed MIL-STD 810G 516.6 standards, this case provides unrivaled security for your device in everyday situations.

Sleek design in Kevlar

With a premium Kevlar Black finish, the Metropolis LT case exudes sophistication and durability. The robust Kevlar material not only enhances the protective properties of the case but also adds a touch of elegance to your device, making it stand out from the crowd.

Magnetic compatibility

Equipped with built-in magnets, the UAG Metropolis LT integrates seamlessly with magnetic accessories and wireless chargers. This feature makes it easy to attach and detach compatible accessories while providing a secure grip during use.

Precise cut-outs for full functionality

The case is carefully designed with precise cut-outs for all ports, buttons and functions of your iPhone 17 Pro. This attention to detail ensures full access to all device functions without having to remove the case, providing convenience and protection at the same time.

Lightweight and slim profile

Despite its robust protection, the UAG Metropolis LT has a slim and light profile. This thoughtful design allows your iPhone 17 Pro to retain its sleek form factor while benefiting from advanced protection, making it comfortable to hold and easy to slip into pockets or bags.
