- Slim, elegant Beige design that preserves your iPhone 6s

Premium hand-finished leather with ultra-thin protection

Crafted from high-quality leather that is processed by hand, the Quattro Back delivers a luxurious touch while keeping bulk to a minimum. It shields your iPhone 6s from daily wear without hiding its sleek profile.

Featherlight polycarbonate frame

The bespoke lightweight chassis adds structure and durability without weighing you down. Enjoy dependable protection that feels almost weightless in hand and in pocket.

Soft microfiber lining prevents scratches

Inside, a premium microfiber liner cushions your phone and helps prevent micro-scratches, keeping the back of your iPhone 6s pristine over time.

Precise cutouts for full access

Designed to fit perfectly, the case provides precise openings for buttons, speakers, and ports. You get full, effortless access to every function without removing the case.

Slim, elegant Beige design that preserves your iPhone 6s

The slim back-cover silhouette complements your iPhone's original shape while adding a refined Beige finish that elevates your everyday look.
