

Journey MagSafe Compatible Leather Case for iPhone 12/12 Pro - Dark brown

Meet the leather case that looks sharp, feels better, and keeps up with your day. Crafted from ethically sourced top-grain leather and built for adventure, this MagSafe compatible case protects your iPhone 12 or 12 Pro while resisting water, dirt, and everyday wear. Comfortable in hand and made to last, it is the refined essential your phone deserves.

- MagSafe compatible for seamless charging and accessories
- Ethically sourced top-grain leather with a premium feel
- Water and dirt repellent for everyday protection
- Durable construction built to be taken places
- Breathable, bacteria-free and odourless comfort

MagSafe compatible for seamless charging and accessories

Designed to work perfectly with the iPhone 12 MagSafe ecosystem, this case snaps onto chargers and accessories with a secure magnetic alignment. Keep your daily flow uninterrupted as you attach a MagSafe wallet or power up wirelessly, without removing the case.

Ethically sourced top-grain leather with a premium feel

Made from genuine, top-grain leather sourced from local hides, this case delivers a rich hand feel and a refined dark brown finish. The manufacturing process uses modern methods that help reduce environmental impact, so you get a responsible choice that develops a beautiful patina over time.

Water and dirt repellent for everyday protection

From sudden showers to dusty trails, the water and dirt repellent finish helps shield your phone from the elements. Wipe away smudges and splashes with ease and keep your case looking clean through commutes, coffee runs, and weekend adventures.

Durable construction built to be taken places

This case is crafted to go wherever you do. The sturdy build offers reliable day-to-day protection, while flame resistance adds an extra layer of reassurance in demanding environments. It is made to fit securely, feel solid, and stand up to active use.

Breathable, bacteria-free and odourless comfort

Stay fresh all day. The breathable design helps reduce heat buildup in your hand, while the bacteria-free and odourless finish keeps the case feeling clean and comfortable, no matter how long you use it.
