HD Clarity for Uncompromised Visuals

Just Mobile Xkin 3D Tempered Glass offers crystal-clear protection that enhances your iPhone X/XS display without altering the color or brightness. Enjoy high-definition clarity that ensures you don't miss a single detail, whether you're viewing photos, watching videos, or playing games.

9H Hardness for Superior Scratch Resistance

Engineered with supreme hardness, this JustMobil screen protector boasts an impressive 9H toughness. This means your iPhone's screen is fortified against scratches and contacts that might otherwise damage the sensitive glass surface.

Oil- and Water-Resistant for a Pristine Screen

Keep your phone's display spotless with an exceptional coating that repels both oil and water. The protective glass by Just Mobile effectively resists fingerprints and smudges, making it a breeze to maintain a clean and clear screen for your iPhone X/XS.

Responsive Touch Sensitivity for Natural Usage

The responsive nature of the Xkin 3D Tempered Glass ensures that every tap, swipe, and press is just as smooth as ever. The thin, durable glass preserves the natural feeling of direct interaction with your iPhone X/XS screen, ensuring a seamless user experience.

Full Coverage for Complete Screen Protection

With a focus on comprehensive protection, Xkin 3D Tempered Glass extends to the very edges of your iPhone, wrapping around the curved screen impeccably. It's precision-engineered to offer full coverage without hindering sensor functionality, maintaining aesthetic harmony and safeguarding every inch of your precious display.
