Outstanding Impact Resistance

The Mujjo iPhone 15 Pro Impact Case is designed to keep your phone protected, no matter what. Featuring the ImpactCore internal bumper, the case provides unmatched impact resistance. Certified to Military Grade MIL-STD-810, the case ensures drop protection up to 5 meters. A cleverly designed 1mm raised bezel further keeps the screen from abrasive surfaces.

New Camera Bump for Added Protection

The case takes the safety of your device a notch higher with the inclusion of a distinct camera bump, constructed from recycled plastic. This feature heightens the device's protection and works in harmony with the case's sleek design.

Luxurious, Long-lasting European Leather

Impeccably sourced from sustainable European hides, the leather used in this case is a testament to the makers' commitment to quality. The eco-friendly DriTan process ensures the superior quality and durability of the leather, only adding to the case's sophistication.

Sustainability through Recycled Materials

Staying true to its dedication to the environment, Mujjo has crafted this case using recycled materials. This is evident from features like the plastic buttons, camera bump, microfiber lining, and the polycarbonate shell wrapped around the leather.

Compatibility with MagSafe

To enhance your user experience, the Mujjo iPhone 15 Pro Impact Case is designed to integrate with magnetic technology that facilitates wireless charging. It's compatible with all MagSafe accessories, taking the hassle out of wireless charging.
