Ultra-Premium Glass Protection
The Urban Armor Gear Glass Shield is made from antimicrobial German Schott high aluminum glass, offering top-tier scratch resistance and strength. This premium glass protection works tirelessly to preserve the immaculate display of your device, delivering double the durability compared to standard screen protectors.

Impact Resistance
Engineered to withstand accidental drops from heights of up to 2.5 meters, this screen protector enhances edge strength to provide four times the defense against impacts when compared to its competitors. Feel secure knowing your device has superior shielding against everyday mishaps.

Anti-Reflective and Oleophobic Coatings
Experience unmatched clarity with anti-reflective coatings that significantly minimize glare, maintaining a pristine display. The oleophobic coating effectively resists fingerprints, ensuring your iPhone looks clean and clear at all times, while the sleek black border adds a touch of elegance.

Precision Fit and Touch Sensitivity
Crafted for a flawless fit, the Urban Armor Gear Glass Shield ensures seamless touchscreen interaction with perfect touch sensitivity. This precision fit is designed to complement UAG cases, allowing you to enjoy smooth and responsive device usage.

Easy At-Home Installation
The installation process is straightforward and user-friendly, thanks to the included applicator kit. Achieve a quick, bubble-free installation effortlessly, giving your device a pristine finish without any hassle.
