UAG Plasma XTE with Magnet case for Samsung S25 Ultra - Clean with titanium accents

Protect your Samsung S25 Ultra with the ultimate defense: Urban Armor Gear's UAG Plasma XTE with Magnet. This toned case with titanium accents offers military-grade protection without compromising style or functionality.

- Military-grade drop protection
- Sleek, lightweight design
- Magnetic compatibility
- Wireless charging support
- Easy access to ports and buttons

Military-grade drop protection
The UAG Plasma XTE case is engineered to meet or exceed military drop-test standards (MIL-STD 810G 516.6). Its impact-resistant core and reinforced corners provide superior protection against drops, bumps, and shocks, ensuring your Samsung S25 Ultra stays safe in any situation.

Sleek, lightweight design
Despite its robust protection, the UAG Plasma XTE maintains a slim profile. The toned design showcases your phone's original aesthetics, while the titanium accents add a touch of sophistication. This case proves that you don't have to sacrifice style for protection.

Magnetic compatibility
Equipped with built-in magnets, the UAG Plasma XTE case is compatible with a wide range of magnetic accessories. From car mounts to wireless chargers, enjoy the convenience of magnetic attachment without compromising on protection.

Wireless charging support
The UAG Plasma XTE case is designed to work seamlessly with wireless charging. There's no need to remove the case when you want to charge your device wirelessly, making it convenient for everyday use.

Easy access to ports and buttons
Precision-cut openings ensure full access to all ports, buttons, and features of your Samsung S25 Ultra. The tactile buttons provide a responsive click, maintaining the phone's functionality while adding an extra layer of protection.
