Protect your iPhone 16e with the Urban Armor Gear Plyo Ice case - a perfect blend of military-grade protection and sleek design. This ultra-lightweight case offers superior drop protection without compromising on style or functionality.

- Military-grade drop protection
- Ultra-lightweight design
- Scratch-resistant screen surround
- Wireless charging compatible
- Easy access to all ports and buttons

Military-Grade Drop Protection

The UAG Plyo Ice case meets military drop-test standards (MIL STD 810G 516.6), ensuring your iPhone 16e stays safe from accidental drops and impacts. Its innovative air-soft corners provide cushioning and disperse impact forces, keeping your device secure in any situation.

Ultra-Lightweight Design

Despite its robust protection, the Plyo Ice case maintains a slim profile and adds minimal bulk to your iPhone 16e. The transparent ice design showcases your device's sleek aesthetics while providing a secure grip and enhanced durability.

Scratch-Resistant Screen Surround

Featuring a raised edge around the screen, the Plyo Ice case offers additional protection for your iPhone 16e's display. This thoughtful design helps prevent scratches and scuffs when placing your device face-down on surfaces.

Wireless Charging Compatible

Enjoy the convenience of wireless charging without removing your case. The UAG Plyo Ice case is specifically designed to allow seamless wireless charging, ensuring you can power up your iPhone 16e effortlessly.

Easy Access to All Ports and Buttons

Precision-cut openings and responsive button covers ensure full access to all of your iPhone 16e's features. From the camera and speakers to the charging port and volume controls, everything remains easily accessible while protected.
