High Capacity: 20,000mAh
With an impressive 20,000mAh battery, the ALOGIC Ruck Power Bank provides enough power to keep your devices running for extended periods. Whether traveling, working remotely, or just on the go, you can trust the Ruck to deliver the energy you need when you need it most.

Powerful 130W USB Charging
The ALOGIC Ruck Power Bank boasts a powerful 130W USB charging capability, allowing you to quickly and efficiently charge multiple devices. From laptops to smartphones and tablets, the Ruck ensures rapid charging for all your USB-powered gadgets, minimizing downtime and keeping you productive. Fast charge your MacBook Pro and iPhone 15 simultaneously with 100W USB-C and 30W USB-A charging.

Multiple Device Compatibility
This versatile power bank is compatible with many devices, making it a reliable companion for all your tech needs. It can charge everything from laptops and tablets to smartphones and wireless earbuds. The Ruck's universal compatibility means you'll be equipped for any situation with just one power bank.

Sleek and Compact Design
The ALOGIC Ruck Power Bank offers a sleek, compact design that easily fits your bag or pocket. Its stylish look complements your modern lifestyle while providing maximum portability. Despite its powerful capacity, the Ruck remains lightweight and easy to carry, making it an ideal travel companion. Ruck's battery capacity of 20,000mAh or 72Wh (watt-hours) is safely below the International Air Transport Association's (IATA) guidelines for the maximum size power bank that can be taken on flights (99Wh) when in your carry-on luggage.

Advanced Safety Features
Safety is paramount with the ALOGIC Ruck Power Bank. It includes advanced safety features to protect you and your devices from overcharging, overheating, and short-circuiting. Trust the Ruck to deliver a secure and reliable charging experience, giving you peace of mind wherever you go.
