Apple-certified Lightning cable for guaranteed compatibility

Enjoy seamless charging and syncing with full Apple MFi certification. This ensures reliable performance with iPhone, iPad, and iPod devices featuring a Lightning connector, plus peace of mind through consistent quality and compatibility with iOS updates.

Durable aluminum connectors in a refined Rose Gold finish

Crafted with precision aluminum connector housings, the AluCable Flat is built to last while matching the premium look and feel of your Apple gear. The Rose Gold finish adds a subtle, elegant touch that pairs beautifully with your favorite devices.

Flat, tangle-resistant design for everyday convenience

The flat cable profile resists tangles in pockets, backpacks, and drawers, so it is ready to use whenever you need it. The design also lays neatly on your desk or nightstand, keeping your setup clean and clutter-free.

Charge and sync for iPhone, iPad, and iPod with Lightning

Power up and transfer data with one cable. Whether backing up photos, syncing music, or charging before you head out, the AluCable Flat delivers dependable performance for all your Lightning devices.

1.2 m length for flexible use at desk, bedside, or in a bag

With a 1.2 meter reach, you get the perfect balance of flexibility and portability. It is long enough to use comfortably while charging, yet compact enough to carry with you.
