SATECHI

Satechi USB-C to Lightning Charging Cable - Space gray

Elevate your Apple Lightning devices with our Satechi USB-C to Lightning Charging Cable. Equipped with a reversible USB-C connector and a shorter cable design, it provides an efficient charging solution while keeping your space clutter-free. Thanks to its speed and adaptability, this cable can be paired effortlessly with our Wireless Power Bank or Pro Desktop Charger, satisfying your power needs at home or on the go.

- Charges Apple Lightning devices
- Apple MFi certified
- Supports data transfer up to 480 Mbps
- Specifically designed for on-the-go use with a shorter 25cm length.
- It pairs perfectly with related Satechi products

Charge Your Apple Lightning Devices
Stay powered up with the Satechi USB-C to Lightning Charging Cable that ensures your Apple Lightning devices are always ready for use. You can trust it to keep your devices powered up and ready anytime.

Apple MFi Certified
Our Lightning cable is Apple MFi certified, so it's guaranteed to be compatible with your Apple devices. With this feature, you can rely on it to charge your gadgets without the risk of damage or data loss.

Supports Data Transfer up to 480 Mbps
The Satechi USB-C to Lightning Charging Cable is designed to support quick and efficient data transfer between your devices. With a transmission speed of up to 480 Mbps, you'll save valuable time when syncing your data.

Designed for Portability
The convenience and portability of the Satechi USB-C to Lightning Charging Cable make it a perfect companion for your busy lifestyle. The shorter 25cm length is specifically designed for a clutter-free setup whether at home or on the move.

Pairs Perfectly with Other Satechi Products
This Lightning cable integrates seamlessly with our Quatro Wireless Power Bank, 108W Pro Desktop Charger, or USB Charging Stations. You can rely on this fast and efficient charging solution wherever you are.
