

ALOGIC EasyPlug Reversible USB 2.0 A to Micro-USB Reversible Cable - 5m - Black

Discover effortless connectivity with the ALOGIC EasyPlug Reversible USB 2.0 A to Reversible Micro-USB Cable, a revolutionary solution designed to sync and quickly charge all your USB Micro Type B devices. Say goodbye to the annoyance of flipping your cables repeatedly; with this 5-meter cable, you can enjoy a hassle-free connection every time.

- Effortlessly reversible USB connectors
- Eliminates USB insertion frustration
- Full sync and charge compatibility
- Versatile use across devices
- Durable design with a lifetime warranty

Effortlessly Reversible USB Connectors

The ALOGIC EasyPlug cable introduces a reversible USB Type A and Micro-USB Type B design, allowing you to connect your devices quickly without the need to check the connector's orientation. This user-friendly feature dramatically reduces the potential for wear and tear, extending the life of your cable.

Eliminates USB Insertion Frustration

We've all experienced the irritation of repeatedly trying to insert a USB connector correctly—the ALOGIC EasyPlug eliminates this common annoyance, making plugging in your USB devices a smooth, no-fuss process.

Full Sync and Charge Compatibility

Get the best of both worlds with a cable that charges your gadgets and supports data synchronization. Whether transferring files or charging your device, the ALOGIC EasyPlug ensures efficient and reliable performance every time.

Versatile Use Across Devices

The ALOGIC EasyPlug is designed to be universally compatible with all USB Micro Type B devices, from phones and tablets to PDAs and GPS systems. It's the one cable you need to power a wide array of devices, making your life more convenient.

Durable Design with a Lifetime Warranty

Crafted to withstand the test of time, the ALOGIC EasyPlug comes with a lifetime warranty, assuring you of its quality and durability. Rest easy knowing your cable is built to last and backed by a commitment to your satisfaction.
