Simultaneous Charging for All Your Devices
The Satechi Trio Wireless Charging Pad is designed to be the ultimate charging station for all your devices. From your Apple Watch Series and AirPods with a wireless charging case to any Qi-enabled iPhone or smartphone, the charging pad provides a place for each, offering you an effortless charging experience.

Convenient, Sleek and Modern Design
Reflecting the modern consumer's needs, the charger fits perfectly into any setup with its sleek appearance, while its smartphone case-friendly design (up to 5mm) allows for uncompromised convenience. Additionally, it supports Apple Watch in Nightstand mode, ensuring your devices are always ready to go.

Effortless Power Alignment
Say goodbye to tangled wires and lost charging cables. With the Satechi Trio Wireless Charging Pad, align your devices on the marked areas, and the LED lights will illuminate to indicate when each device has begun to charge. Charging your devices has never been this easy and efficient.

Intelligent Safety Features
Safety is prioritized with the Satechi Trio Wireless Charging Pad. Equipped with foreign object detection (FOD) and over-temperature protection, the charging pad automatically detects and cuts off power when necessary for a safer charging experience.
