Twelve South PowerPic Frame - Black

Display your favourite photo and charge your phone with Twelve South's PowerPic. Combining a New Zealand pine picture frame with a concealed Qi wireless charger, it keeps your memories on display and charging neatly integrated into your space.

- Wireless charging for a wide range of smartphones
- Compatible with most phone cases
- Quick Charge 3.0 certified for fast charging
- Concealed Qi charger in a New Zealand pine picture frame
- Includes a 1.5 m USB Type C to USB Type A cable

Wide Compatibility
PowerPic supports wireless charging for most Qi-compatible smartphones, including compatible Android phones and iPhones. Simply place your phone against the frame to charge.

Case-Friendly Charging
Charge without removing your case. PowerPic works through most phone cases up to 3 mm thick, making everyday charging simpler.

Quick Charge 3.0 Certified
PowerPic is Quick Charge 3.0 certified and supports fast charging for compatible phones.

Elegant and Functional Design
Made from New Zealand pine, the frame holds a 12.7 x 17.78 cm photo. Its concealed charger brings wireless charging to your living space without adding a separate charging pad.

Flexible Placement
The included 1.5 m USB Type C to USB Type A cable gives you flexibility when positioning the frame.
