High-Speed Data Transfer Rate
Transferring data has never been quicker with the ALOGIC Fusion Series cable. Offering a lightning-fast SuperSpeed USB 20Gbps data transfer rate, you can move massive files like high-resolution photos, comprehensive digital albums, and hefty movie collections from one device to another in mere seconds, far surpassing the speeds of USB 2.0 and USB 3.0.

100W Power Delivery
Stay powered up without the wait. The ALOGIC Fusion supports charging up to 100W, fully empowering your USB-C devices in significantly less time. With a compatible 100W charger, supercharge your smartphones, tablets, and laptops swiftly and efficiently – a true game-changer for keeping your tech ready to go.

4K Ultra HD HDR at 60Hz Video Output
Revel in a visual spectacle with the ALOGIC Fusion cable that supports a 4K Ultra HD 60Hz display. Backed by HDR technology and offering multiple digital audio channels, immerse yourself in a world of vibrant colors and crisp detail whether you're working, relaxing, or enjoying media content.

Fortified for Maximum Durability
Say goodbye to cable fragility with the ALOGIC's rugged design. The Fusion Series cable is expertly crafted with a thermoplastic and metal alloy head and interior wires protected by synthetic fiber. All this is encased in a double-braided nylon jacket, ensuring that it stands up to daily wear and tear with ease.

USB-C Compatibility
Experience universal connectivity as the ALOGIC Fusion Series cable seamlessly pairs with all USB-C enabled devices. This versatile cable simplifies your technical needs, ensuring that you have a reliable connection for any compatible device within your technological ecosystem.
