

ALOGIC Elements PRO USB-A to USB-C Charging Cable - Black

Discover seamless connectivity with the ALOGIC Elements PRO USB-A to USB-C Charging Cable. Designed to cater to the modern individual's needs, this cable bridges your latest USB-C devices to various accessories and peripherals. Not only does it flaunt a refined design, but its durability is top-notch, easily withstanding daily wear and tear. The perfect addition to your tech collection, it guarantees fast charging and efficient data synchronization while maintaining an elegant and sleek appearance.

- Refined and Resilient Design
- Fast Charging up to 3A
- Efficient Data Transfer
- Lightweight and Portable
- Universal Compatibility

Refined and Resilient Design

Crafted from the highest quality materials, the ALOGIC Elements PRO USB-C to USB-A cable boasts a sophisticated design that is lightweight and durable. It is constructed to endure daily usage and resist wear and tear, making it a reliable companion for electronic devices.

Fast Charging up to 3A

With this cable's 3A output capacity, you won't be tethered to a power outlet for too long. Its capability to fast charge your devices ensures you're always ready to go, no matter where life takes you.

Efficient Data Transfer

Sync your photos, videos, music, and files at impressive speeds with this cable. With its support for up to 480Mbps data transfer rates, efficiency is at your fingertips, streamlining your daily tasks and digital interactions.

Lightweight and Portable

With a design focus on convenience, this charging cable is built to be a subtle addition to your technological arsenal. Its portability makes it an easy fit into any laptop bag or backpack, perfect for the on-the-go individual.

Universal Compatibility

Connect with confidence, regardless of the device brand or USB-C-enabled peripheral. The ALOGIC Elements PRO charging cable is designed for optimal compatibility, making your connections seamless and straightforward.
