

AERO Mini Luxury Edition is a multifunctional charger that offers 2 USB ports to charge rapidly and simultaneously up to 2 connected devices. Compact, elegant and powerful, it also features a phone stand to support your device while charging and a winder to store your cable. It fits in any home interior with elegance and perfectly embodies Luxury Tech.

Roll & Charge

This multifunctional charger offers two USB ports on the bottom to charge smartphones, tablets and other connected devices. It also features a built-in stand to accommodate a supported device and a winder to store your cable.

Dynamic charge system

AERO Mini Luxury Edition automatically detects the connected device, to deliver the maximum power appropriately. The chipset also handles power management, dividing the total power between the ports as needed.

- Rapidly and simultaneously charge up to 2 devices.
- Use your wall charger as a dock to hold your device.
- Built-in roller to tidy up your cable.
- High speed, premium components, and secure charge.
