Effortless Wireless Charging

Say goodbye to fumbling with cables and connectors. With the ALOGIC MagSpeed 2-in-1 Wireless Charging Station, you can charge two devices simultaneously—your iPhone and AirPods—all without the hassle of wires. Place your devices down and let the charging begin.

MagSafe Compatibility

Designed to work flawlessly with your MagSafe-compatible iPhone, the MagSpeed 2-in-1 ensures a secure hold and optimal charging up to 7.5W for iPhones. This technology powers your devices swiftly and allows for continued use while staying magnetically connected.

Elegant, Modern Design

The MagSpeed 2-in-1 Wireless Charging Station is more than just a charger; it's an accessory that complements your space. Its sleek and modern build fits seamlessly into any setting, proving that function and style can go hand-in-hand.

Intuitive Indicators

Charging has never been more straightforward. Upon connecting your devices to the charger, a bright LED indicator will illuminate, giving you immediate reassurance that your devices are charging. Now, you can enjoy the convenience without second-guessing whether your devices are getting the power they need.

MagSafe Mounting and Viewing

It is not just a charger; the ALOGIC MagSpeed serves dual purposes. Its robust magnet keeps your iPhone in place, making it a convenient stand for hands-free viewing. Whether on a nightstand or a work desk, it's the perfect angle for watching, scrolling, and tapping.
