ALOGIC PowerBank with MagSafe 5000mAh - White

Experience wireless convenience and power with the ALOGIC PowerBank. This pocket-sized magnetic power bank breathes new life into your MagSafe and Qi-compatible devices. A generous 5000mAh capacity ensures your gadgets stay powered up, regardless of where your lifestyle takes you. The ALOGIC PowerBank is also part of the world's first modular wireless charging ecosystem, offering flexibility and ease.

- Fast, wireless recharging for MagSafe and Qi-compatible devices
- 5000mAh capacity for comprehensive recharging
- Capability to recharge wired devices over USB-C
- Part of the world's first modular wireless charging ecosystem
- It comes with a magnetic support ring and an alignment tool

Fast, Wireless Recharging
The ALOGIC PowerBank supports quick, wireless recharging for your MagSafe and Qi-compatible devices, liberating you from the hassles of wires and enabling seamless charging on the go.

5000mAh Capacity
The generous battery capacity fully recharges almost all current phones, earbuds, or smartwatches from 0-100%, ensuring you never face a power shortage for your critical gadgets.

Recharge Wired Devices Over USB-C
Not only for wireless charging, but ALOGIC PowerBank can also bring your wired USB-C devices back to life with fast recharging.

Part of the Modular Wireless Charging Ecosystem
The ALOGIC PowerBank is a revolutionary part of the Matrix modular charging ecosystem. Snap it onto a Matrix Car Mount or charging dock to recharge it with your phone.

Magnetic Support Ring Included
This power bank comes with a magnetic support ring and alignment tool. Attach the ring to your Qi-compatible Android phone to enable magnetic charging. Just snap the power bank onto your phone to charge.
