Qi2 Certified for Optimal Charging
Embrace the future of wireless charging with Qi2 certification. The Satechi Qi2 Trio Wireless Charging Pad delivers an impressive 15W of power to your iPhone, ensuring the safest and most efficient charge possible. With seamless MagSafe compatibility, you can trust that your devices are receiving the best care.

Versatile 3-in-1 Charging Capability
Say goodbye to cable clutter and hello to organised charging. The Qi2 Trio Wireless Charging Pad allows you to power up your iPhone, AirPods, and Apple Watch all at once. With 15W for your smartphone, 5W for your AirPods, and 5W for your Apple Watch, you'll never have to prioritise which device to charge first again.

Compact and Travel-Ready Design
Take your charging station wherever you go. The Qi2 Trio Wireless Charging Pad features a compact, lightweight profile that easily fits in your carry-on. With interchangeable travel adapters included, you're ready to charge up in any corner of the globe.

Premium Build Quality
Experience durability and style in one sleek package. The Qi2 Trio Wireless Charging Pad boasts a premium aluminium enclosure, scratch-resistant vegan leather base, and sturdy hinges that stand the test of time. Optimised to support the complete MagSafe-enabled iPhone lineup, this charging pad is built to last.

Customizable Charging Experience
Adapt your charging setup to suit your needs. The innovative retractable stand allows you to prop your phone upright for easy viewing or fold it down for a flat charging experience. With a single-cable connection, you can keep your space tidy and organised while powering up your devices.
