Twelve South ButterFly SE - Pink

Effortlessly charge your iPhone, Apple Watch, or AirPods with the compact, 2-in-1 ButterFly SE charger in Pink. Perfect for travel and everyday use, this sleek accessory ensures your devices are always powered up and ready to go while doubling as a convenient hands-free viewing stand.

- Ultra-compact, foldable design
- Dual Qi2 magnetic chargers
- Soft-touch, non-slip finish
- Hands-free viewing stand for iPhone and Apple Watch
- Compatible with iPhones with MagSafe (12+), Apple Watch (all series), and AirPods with wireless charging case

Ultra-compact, foldable design
The ButterFly SE charger from Twelve South is as compact as a double-stuffed cookie, making it exceptionally convenient for travel. It unfolds to effortlessly reveal two magnetic chargers for simultaneously charging your iPhone and Apple Watch. Its strong magnets ensure it stays securely folded while stowed away in your bag.

Dual Qi2 magnetic chargers
Designed to charge two of your most important Apple devices simultaneously, ButterFly SE combines functionality with style. The dual Qi2 magnetic chargers seamlessly power up your iPhone and Apple Watch, providing a high-quality charging experience tailored to your needs.

Soft-touch, non-slip finish
ButterFly SE boasts a luxurious soft-touch finish in Pink. This non-slip surface ensures that your devices remain safely in place during charging. Coupled with a color-matched braided USB-C charging cable, ButterFly SE performs well and looks great.

Hands-free viewing stand for iPhone and Apple Watch
Beyond its charging capabilities, ButterFly SE transforms into a hands-free viewing stand for your iPhone and Apple Watch. Whether streaming shows, FaceTiming, or using StandBy Mode, ButterFly SE provides a convenient and flexible setup. The magnetic Apple Watch charger even tilts up to enable Nightstand Mode.

Compatible with iPhones with MagSafe (12+), Apple Watch (all series), and AirPods with wireless charging case
ButterFly SE is designed to be versatile and compatible with the latest Apple devices. It supports any iPhone with MagSafe technology (models 12 and onwards), all Apple Watch series, and AirPods models equipped with a wireless charging case. Lay your AirPods on the Qi2 magnetic charger to power them alongside your other devices.
