Dual Qi2 magnetic chargers
Charge two devices at once with ButterFly SE's dual Qi2 magnetic chargers, bringing your iPhone and Apple Watch together in one compact setup.

Soft-touch, non-slip finish
The soft-touch, non-slip finish in White with Cool Grey helps keep your devices in place while charging. A colour-matched braided USB-C charging cable completes the design.

Hands-free viewing stand for iPhone and Apple Watch
Fold ButterFly SE into a hands-free stand for streaming, FaceTime calls or StandBy Mode on your iPhone. The magnetic Apple Watch charger tilts up to support Nightstand Mode.
