Premium Aluminum Construction

Constructed from a single piece of high-quality aluminium, the AluCup Grande boasts a durable build that offers a stable base for your iPhone or iPad Mini. The striking red anodized finish adds a touch of sophistication to any desk or workspace.

Soft Rubber Lining for Protection

The AluCup Grande features a soft rubber interior that gently secures your iPhone or iPad Mini to ensure your device stays unscathed. The rubber guards against scratches and provides a non-slip surface, reducing the risk of accidental drops.

Smart Cable Management

The AluCup Grande's design includes four precisely cut slots that make cable management a breeze. These brilliant cuts keep your charging cable organized and accessible, eliminating clutter in your workspace while ensuring your iPhone or iPad Mini stays charged and ready for use.

Universal Compatibility

Designed with versatility in mind, the AluCup Grande is suitable for your iPhone and iPad Mini and various other similar devices. The accommodating size and flexibility make it a universal solution for all your smart device holding needs.

Stylish and Practical Design

Merging aesthetics with functionality, the AluCup Grande stands out with its elegant design. Available in a passionate red colour, it's an accessory that catches the eye while providing a stable home for your device. The thoughtful construction allows you to comfortably interact with your iPhone or iPad Mini, whether for watching, reading, or video calling.
