Dual high-power USB ports, 2.4 A each

Power up two devices simultaneously without sacrificing speed. Each USB port delivers up to 2.4 A, ideal for fast charging smartphones and tablets on the go so you arrive with your devices ready.

Built-in fuse for surge and overvoltage protection

Drive with confidence. Highway Max integrates a protective fuse that helps safeguard your connected devices from overvoltage and electrical spikes commonly encountered in vehicle power systems.

Includes USB-A to Micro-USB charging cable

Ready out of the box, the included USB-A to Micro-USB cable makes it easy to charge compatible devices immediately. Use your own Lightning or USB-C cables to power additional phones, tablets, and accessories.

Premium aluminum and high-quality plastic construction

Crafted from robust materials, Highway Max combines a sleek aluminum accent with durable plastic for a charger that looks refined and stands up to daily in-car use.

Universal compatibility for smartphones and tablets

Whether you use Android or iPhone, phones or tablets, Highway Max is designed to charge a wide range of USB-powered devices, making it a dependable companion for every trip.
