Handcrafted premium leather in an ultra?thin design
Quattro Back is finished with high?quality leather that’s carefully processed by hand to deliver a refined look and feel. The slim silhouette preserves the iPhone 6s Plus profile, so you get premium materials without added bulk in your pocket or hand.

Lightweight polycarbonate frame for everyday protection
Beneath the leather is a bespoke, lightweight polycarbonate chassis designed for strength without weight. It helps shield your phone from daily bumps and scuffs while keeping the case feather?light for comfortable, all?day use.

Soft microfiber lining to guard against scratches
Inside, a luxury microfiber liner cushions the back of your iPhone, helping prevent micro?abrasions and keeping the finish looking like new. It’s a gentle, protective layer that works quietly in the background.

Precise cutouts for full access to buttons, speakers, and ports
Every opening is accurately aligned to the iPhone 6s Plus, ensuring unhindered access to the Lightning port, speakers, and all buttons. Snap it on and use your phone exactly as you expect—no compromises, no fiddling.

Timeless black finish that elevates your iPhone 6s Plus
The classic black exterior complements any style while enhancing the phone’s original design. It’s a clean, understated look that stays sharp from workdays to weekends.
