- Compatible with most iOS and Android smartphones

#### Steady Shots with Ergonomic Design

The Shutter Grip 2 features a non-slip ergonomic grip that ensures stable handling of your smartphone during photo and video capture. Say goodbye to shaky footage and blurry images – this grip provides the control you need for professional-quality results.

#### Versatile Functionality

With its built-in selfie stick and phone stand capabilities, the Shutter Grip 2 adapts to various shooting scenarios. Whether you're taking group selfies, recording vlogs, or setting up for time-lapse photography, this multi-functional accessory has you covered.

#### Remote Control Freedom

The removable Bluetooth shutter release gives you the freedom to capture photos from a distance. Perfect for group shots or when you need to be in the frame, this feature allows for effortless remote shooting.

#### Enhanced Accessories Support

The integrated cold shoe mount opens up a world of possibilities for your smartphone photography. Attach LED lights, microphones, or other accessories to elevate your mobile content creation game.

#### Wide Compatibility

Compatible with most iOS and Android smartphones, including popular models from Apple and Samsung, the Shutter Grip 2 is designed to work with your device, whether it's in a case or not. Its tensioned grip ensures a secure fit for various phone sizes.
