- Anti-Scratch Hardshell PC Back
- Shockproof Thermoplastic Frame
- Corner Air Cushions
- Wireless Charging Compatibility
- Raised Bezels for Comprehensive Protection

Anti-Scratch Hardshell PC Back

The case boasts a hardshell PC back that resists scratches, keeping your iPhone 14 Plus looking pristine. The crystal-clear design provides a window to your phone's natural elegance while offering the protective shield it requires against daily wear.

Shockproof Thermoplastic Frame

Engineered with a shockproof thermoplastic frame, the Just Mobile TENC Air for iPhone 14 Plus is expertly crafted to absorb shock. This innovative design ensures your device is cushioned against drops and impacts, providing peace of mind with every unexpected tumble.

Corner Air Cushions

Strategically placed corner air cushions act as the first defence against drops. These air cushions are designed to disperse impact, substantially diminishing the risk of damage to your iPhone 14 Plus, even when faced with life's unexpected bumps.

Raised Bezels for Comprehensive Protection

The TENC Air provides superior coverage with raised bezels around the screen and camera. This thoughtful design ensures that neither your screen nor your lenses come into direct contact with surfaces, protecting them from scratches and keeping them as flawless as the day you unboxed your iPhone.

Wireless Charging Compatibility

Enjoy the convenience of wireless charging without any interference. The Just Mobile TENC Air case maintains your iPhone 14 Plus's wireless charging capabilities, meaning you can power up effortlessly and cable-free, even with the case on.
