

Just Mobile TENC Slim for iPhone 14 Plus - Crystal Clear

- TENC technology that protects for real
- Super slim design
- Keeps the original look of your iPhone
- Compatible with MagSafe

Slim fits tightly around your iPhone and doesn't make much of a fuss even though it provides full protection. Just 0.6 millimeters thick with a raised frame around the camera to provide extra protection for the lenses. Comes in completely transparent and frosted appearance.

The TENC cases from Just Mobile come in versions of super slim crystal clear or frosted cases, extra protective silicone in different colors and a transparent case with sprinkled glitter.

The only case you need for your iPhone

The shell has covered buttons with deep cutouts so as not to affect the click feel. A raised frame around the camera also protects your camera lenses. Which provides complete protection and is also fully compatible with MagSafe and other wireless charging.
