Mujjo European Leather Case for iPhone 16 Pro Max with MagSafe - Blue

Protect your iPhone 16 Pro Max with Mujjo's Leather Case in Blue. Made from premium European leather and recycled materials, it combines minimalist design, durable protection and MagSafe compatibility.

- Premium European leather
- Machined metal buttons
- Machined metal camera bump
- Japanese microfibre lining
- MagSafe compatible
- B Corp certification

Premium European leather
Made from northern European hides, the leather is tanned in the Netherlands using the DriTan process, which reduces water waste and chemical use. The durable leather develops a unique patina over time, adding character to your case.

Machined metal buttons
The machined metal side buttons provide a responsive, satisfying click and are coloured to match the blue leather. The case includes a mute button and a one-piece volume button, complementing its minimalist design.

Machined metal camera bump
A machined recycled aluminium camera bump protects the rear camera lenses and adds durability to the case. It provides robust protection against bumps and scratches where leather is more vulnerable to damage.

Japanese microfibre lining
The premium Japanese microfibre lining is slim, lightweight and exceptionally soft, with a satin-like finish. Made from recycled fabric, it cushions your iPhone 16 Pro Max to help protect it.

MagSafe compatible
Built-in magnetic technology supports fast wireless charging and compatibility with all MagSafe accessories.

Recycled materials and B Corp certification
Mujjo is B Corp certified and continues to work towards improved sustainability. The case uses recycled materials in its metal buttons, camera bump, microfibre lining and the polycarbonate shell beneath the leather.

Package includes

- 1x Mujjo Leather Case for iPhone 16 Pro Max - Blue
- 1x User manual
