Mujjo Shield Velore Leather Case for iPhone 16 Pro with MagSafe - Black

Protect your iPhone 16 Pro with the Mujjo Shield Case, combining European Velore leather with Mujjo's proprietary ImpactCore internal bumper for impact protection in a slim, refined design.

- Velore leather
- Drop protection up to 5 m
- MIL-STD-810 certification
- Responsive machined metal buttons
- Machined metal camera bump for added protection
- Japanese microfibre lining
- Enhanced magnet strength
- Recycled materials in the hardware, inner shell and lining

Premium leather
Sustainably tanned in the Netherlands, Velore leather develops a natural patina over time and feels comfortable in your hand. The hardware, inner shell and lining incorporate recycled materials.

Impact protection
Mujjo's proprietary ImpactCore internal bumper provides drop protection rated to 5 metres/15 feet, with MIL-STD-810 certification. The case protects against falls and bumps without a bulky profile, while the vegetable-tanned leather provides a secure grip.

Responsive machined metal buttons
The machined metal side buttons deliver a satisfying, responsive click. Colour-matched to the Black leather, they complement the case's understated design. The Pro model features a one-piece volume button and a precisely designed mute button.

Machined metal camera bump for added protection
A machined camera bump made from recycled aluminium helps protect the rear camera lenses and reinforces the area around the camera.

Japanese microfibre lining
Soft, lightweight Japanese microfibre lines the interior. This recycled fabric has a satin-like finish and cushions your iPhone 16 Pro to help protect it from scratches.

MagSafe compatible
Built-in magnets make the Shield Case fully compatible with MagSafe accessories and wireless charging. Enhanced magnet strength helps keep your phone securely attached to compatible stands and MagSafe chargers.

Package includes

- 1x Mujjo Shield Case for iPhone 16 Pro - Black
