All-Aluminum Design
Crafted with high-grade aluminium, the AluDisc Go is sturdy and enhances any car interior's aesthetic. Its solid, durable construction ensures it stands the test of time no matter the frequency of usage.

Magnetic Technology
The AluDisc Go employs the latest magnetic technology, offering a secure grip on your mobile devices while maintaining easy attachment and detachment. This allows for convenient use without worrying about the device slipping off during the ride.

360-Degree Rotation
With its 360-degree ball-bearing design, the AluDisc Go provides viewing at all angles, enhancing usability. Whether navigating or taking a call, you can adjust your device's position to suit your view, ensuring safety and convenience.

Dashboard or Vent Mounting
Mounting on the dashboard or vent gives flexibility depending on personal preference or the specific vehicle design. With AluDisc Go, you can customize your setup to match your driving ergonomics.

Apple MagSafe Charger Compatible
Recognizing the growing use of Apple products, the AluDisc Go integrates seamlessly with the Apple MagSafe Charger. This allows you to charge your iPhone 12, iPhone 13, or newer models while navigating to your destination.
