Easy access to essential cards

The Mujjo Magsafe Leather Card Wallet offers quick and effortless access to your most important cards. Its slim profile ensures a sleek and stylish addition to your iPhone without any unnecessary bulk.

Seamless MagSafe integration

Designed specifically for iPhones with MagSafe, the Mujjo Wallet provides a seamless attachment experience. It connects effortlessly to your device, eliminating the hassle of cumbersome attachments.

Sustainable vegetable-tanned leather

Crafted from eco-friendly vegetable-tanned eco leather, the Mujjo Wallet not only develops a beautifully rich patina over time but also supports sustainable production practices, offering a guilt-free luxurious experience.

Luxurious Japanese microfibre lining

Enhancing the wallet's opulence, it is lined with exquisite Japanese microfibre. This satin-like finish not only accentuates the wallet's aesthetic but also provides added protection for your cards.

Secure slip-resistant silicone stripes

For an unwavering hold, the Mujjo Wallet is equipped with slip-resistant silicone stripes. This feature ensures a stable and secure attachment to your iPhone, giving you the confidence that your wallet will stay firmly in place.
