

Introducing the Satechi Magnetic Wireless Car Charger 7.5W, an intelligent fusion of advanced Qi wireless charging technology and sleek aluminium design. This compact, user-friendly car charger enables hands-free navigation while ensuring your iPhone never runs out of battery, even on long road trips.

- Qi Wireless Charging
- Easy Magnetic Attachment
- Chic Aluminium Design
- Broad Compatibility
- Included USB-C Cable

Qi Wireless Charging

Experience the convenience and efficiency of Qi wireless charging technology while on the road. The Satechi Magnetic Wireless Car Charger ensures a fast and reliable power supply for your iPhone, liberating you from the hassles of connecting tangled charging cables.

Easy Magnetic Attachment

Ease of use enhanced with magnetic attachment. Place your iPhone on the charger, and the built-in magnet secures the device, making charging almost effortless. Now, navigate and drive hands-free without worrying about your iPhone falling or unplugging.

Chic Aluminium Design

Not just functional but also stylish. The Satechi Magnetic Wireless Car Charger boasts a modern aluminium design that complements your interior. Sleek and minimalist, it's the perfect tech accessory for elegant car owners.

Broad Compatibility

The charger is designed to accommodate a variety of iPhone models. Compatible with iPhone 13 and 12 series. It also supports the iPhone 11 series, albeit with a separate magnetic sticker. Enjoy the luxury of a universal, one-fits-all, all-car charging solution.

Included USB-C Cable

No need to buy extra cables. Our Satechi Magnetic Wireless Car Charger comes with a USB-C cable in the box, providing everything you need to start charging your iPhone in your car immediately.

Package includes

- Satechi Magnetic Wireless Car Charger - Space Grey
- USB-C Cable
- User Manual
