Twelve South PowerPic Frame - White

Display a favourite photo and charge your phone with Twelve South's PowerPic. A picture frame with a concealed Qi wireless charger, it makes charging part of your décor.

- Supports wireless charging for a wide range of smartphones
- Charges through most phone cases
- Quick Charge 3.0 certified for fast charging
- Concealed Qi charger in a New Zealand pine picture frame
- Includes a 1.5 m USB Type C to USB Type A cable

Wide Compatibility
PowerPic supports a wide range of Qi-compatible smartphones, including Android and iPhone models. Simply place your compatible phone against the frame to charge.

Charging Through Your Case
PowerPic charges through most phone cases up to 3 mm thick, so you can leave your case on while charging.

Quick Charge 3.0 Certified
PowerPic is Quick Charge 3.0 certified for fast charging.

New Zealand Pine Frame
Made from New Zealand pine, the frame holds a 12.7 x 17.78 cm photo and keeps the Qi charger concealed.

Flexible Placement
The included 1.5 m USB Type C to USB Type A cable gives you flexibility when choosing where to place PowerPic.
