Introducing the Urban Armor Gear Apple iPhone 16e Plyo Magsafe Ice/White - the ultimate protection for your iPhone that doesn't compromise on style or functionality. This sleek case combines military-grade drop protection with a slim profile, ensuring your device stays safe without adding bulk.

- Military-grade drop protection
- Slim and lightweight design
- MagSafe compatible
- Transparent ice/white finish
- Easy access to all ports and buttons

Military-Grade Drop Protection
The Plyo series case offers unparalleled protection for your iPhone 16e. Engineered to meet military drop-test standards (MIL STD 810G 516.6), this case provides reliable defense against accidental drops, bumps, and shocks, keeping your device safe in any situation.

Slim and Lightweight Design
Despite its robust protection, the Plyo case maintains a slim profile that won't weigh you down. The lightweight construction adds minimal bulk to your iPhone, preserving its sleek form factor while still offering superior protection.

MagSafe Compatible
Enjoy the convenience of MagSafe technology without removing your case. The Urban Armor Gear Plyo case is fully compatible with MagSafe accessories, allowing for easy wireless charging and attachment of MagSafe-enabled peripherals.

Transparent Ice/White Finish
Showcase your iPhone's original design with the transparent ice/white finish. This stylish coloration allows you to protect your device without hiding its beauty, offering a perfect blend of form and function.

Easy Access to All Ports and Buttons
The Plyo case features precisely engineered cutouts that provide full access to all ports, buttons, and features of your iPhone 16e. Enjoy unobstructed use of your device's controls and connectivity options without compromising on protection.
