Protect your iPhone 16 Pro display with Urban Armor Gear's UAG Glass Shield. Designed to offer superior protection without compromising on clarity and touch sensitivity, this screen protector ensures your phone remains pristine and easy to use.

- Durable Protection
- Anti-Fingerprint Coating
- Precision Touch and Fit
- Reinforced Edges
- Installation Kit Included

Durable Protection
The UAG Glass Shield boasts scratch-resistant, double-strengthened tempered glass, capable of withstanding impacts up to 6 ft. This robust construction ensures that your screen is safe from everyday bumps and drops, lending it the endurance you need for daily adventures.

Anti-Fingerprint Coating
An oleophobic layer on the UAG Glass Shield deters natural skin oils, reducing fingerprints and smudges. This coating ensures that your iPhone's screen remains clear and provides a pristine, HD viewing experience, allowing you to enjoy uninterrupted visuals.

Precision Touch and Fit
Maintaining the native touch sensitivity of your device, the UAG Glass Shield is expertly crafted to blend seamlessly with UAG cases. This precise fit ensures that the screen protector doesn't interfere with case compatibility, offering you peace of mind and convenience.

Reinforced Edges
The edges of the UAG Glass Shield are designed to prevent chips and stop cracks from spreading. This feature provides prolonged protection, ensuring that your iPhone's display remains intact and shielded from potential damage.

Installation Kit Included
Enjoy a hassle-free application with the included installation kit. The applicator and cleaning kit make it easy to achieve a perfect installation with a bubble-free fit every time, enhancing the overall user experience without any added stress.
