

UAG Glass Shield for iPhone 17 Pro - Clear

Elevate the protection of your iPhone 17 Pro with Urban Armor Gear's UAG Glass Shield. This high-quality screen protector not only ensures your device's display remains crystal clear but also offers exceptional durability and touch sensitivity, making it a vital accessory for everyday use.

- Durable protection
- Anti-fingerprint coating
- Precision touch and fit
- Reinforced edges
- Quick and easy installation

Durable Protection

The UAG Glass Shield is engineered from scratch-resistant, double-strengthened tempered glass. Its robust construction successfully withstands impacts, providing superior protection even from drops of up to 1.8 meters. This ensures that your screen remains pristine amid daily wear and tear.

Anti-Fingerprint Coating

Featuring an oleophobic layer, this screen protector repels natural skin oils to minimize fingerprints and smudges. The result is a crystal-clear, HD viewing experience with a sleek black border that offers a seamless edge and screen-to-case transition, ensuring a premium aesthetic.

Precision Touch and Fit

Designed for maximum touch sensitivity, the UAG Glass Shield maintains your iPhone 17 Pro's responsive functionality. It's perfectly tailored to fit with UAG cases, ensuring your device is as usable as it is protected.

Reinforced Edges

To provide long-lasting protection, the edges of the UAG Glass Shield are reinforced. This smart design helps prevent chipping and stops any potential cracks from spreading, thus preserving the integrity of your screen protector over time.

Quick and Easy Installation

With the included installation kit, applying the UAG Glass Shield is straightforward and hassle-free. The package provides an applicator for a fast, bubble-free fit, along with a microfiber cloth, wet wipe, and dust removal sticker for optimal screen preparation.

Package includes
