Rugged and Lightweight Protection

The UAG Pathfinder Magsafe case offers rugged protection for your iPhone 16 Pro Max without adding excess bulk. Its feather-light composite construction ensures your phone stays safe from everyday drops and impacts while maintaining a sleek profile.

MagSafe Compatibility

Designed with MagSafe compatibility, this case allows for seamless use with your MagSafe charger and accessories. You can comfortably charge your device and attach accessories without removing the case, ensuring convenience and ease of use.

Enhanced Corner Protection

The case features enhanced corner protection, which absorbs and dissipates impacts away from your device. This additional reinforcement ensures that your iPhone 16 Pro Max is shielded from drops and bumps, providing peace of mind.

Tactile Grip and Easy Access

The UAG Pathfinder Magsafe case has a tactile grip that ensures your device stays comfortably in your hand. Additionally, precise cutouts provide easy access to all buttons, ports, and the camera, enhancing the overall user experience.

16-foot Drop Protection

Testing to military-grade standards, this case provides 4.9 m (16-foot) drop protection, ensuring your device can withstand even the most severe accidents. Trust in UAG's dedication to safety and durability to keep your iPhone 16 Pro Max secure.
