UAG Pathfinder MagSafe for iPhone 15 Plus - Is

Discover unparalleled protection with the Urban Armor Gear Pathfinder MagSafe case for iPhone 15 Plus. Meticulously designed to combine robust, military-grade defense with a modern, clear aesthetic, this case not only showcases the true color of your device but also ensures it’s safeguarded in every circumstance.

- Built-in MagSafe Module
- Elevated Co-Molded Design
- Enhanced Corner Protection
- 5.4m Drop Protection
- Eco-Conscious Materials

Built-in MagSafe Module
The UAG Pathfinder case features a powerful built-in magnet module, ensuring seamless compatibility with MagSafe charging. Your device will stay perfectly aligned with MagSafe accessories, enabling effortless and efficient charging every time.

Elevated Co-Molded Design
Experience ultimate durability with a feather-light composite construction. The elevated design boasts oversized tactile buttons for easy access, ensuring you can navigate your device comfortably while it's securely protected.

Enhanced Corner Protection
Our case is designed with TPU bumpers to offer superior corner protection, safeguarding your iPhone’s most vulnerable areas from unexpected drops and knocks. Integrated lanyard anchor points provide added convenience for attaching accessories and securing your phone with ease.

5.4m Drop Protection
Engineered to withstand substantial impacts, the UAG Pathfinder case provides impressive drop protection up to 5.4 meters. Protect your iPhone 15 Plus against life’s mishaps, keeping it in pristine condition through every adventure.

Eco-Conscious Materials
Crafted with an environmental ethos in mind, this case comprises 25% recycled materials. Prioritize sustainability while benefiting from superior protection, and enjoy peace of mind knowing your purchase contributes to a greener planet.
