Military-grade drop protection
The UAG Plyo Pro case features a robust construction that meets military drop-test standards (MIL-STD 810G 516.6). This ensures your Samsung S25 Ultra is protected from accidental drops, bumps, and shocks, giving you peace of mind in your daily activities.

Slim and lightweight design
Despite its superior protection, the UAG Plyo Pro maintains a slim and lightweight profile. This allows you to enjoy the sleek design of your Samsung S25 Ultra without adding unnecessary bulk, making it comfortable to hold and easy to slip into your pocket or bag.

Transparent back with ombre effect
Showcase your Samsung S25 Ultra's original design with the case's transparent back. The stylish black to clear ombre effect adds a touch of sophistication, allowing you to protect your device without sacrificing its aesthetic appeal.

Wireless charging compatible
The UAG Plyo Pro case is designed to work seamlessly with wireless charging technologies. You can charge your Samsung S25 Ultra without removing the case, ensuring convenience and continued protection.

Easy access to all ports and buttons
Precise cutouts and responsive button covers provide easy access to all your device's features. From the camera to the charging port, you'll have unhindered use of your Samsung S25 Ultra's functionality while keeping it protected.
