

Moshi AirTag Key Ring - Black

Bring elegance and convenience to your everyday essentials with the Moshi AirTag Key Ring in sophisticated black. Carved in premium vegan leather, it offers an exclusive appeal. The material is durable and resistant to water and weather, which means your AirTag stays protected from scratches and bumps. Additionally, it kills germs and bacteria upon contact, thanks to Moshi's proprietary NanoShield™ treatment.

- Crafted in Premium Vegan Leather
- 60-degree Coverage for Protection
- User-Friendly Spring Clasp Design
- Durable Materials
- NanoShield™ Anti-Microbial Treatment

Crafted in Premium Vegan Leather

The Moshi AirTag Key Ring is encased in animal-friendly premium vegan leather, known for resistance to water and varying weather conditions. This also adds a touch of sophistication to your belongings.

60-degree Coverage for Protection

The Moshi AirTag Key Ring provides comprehensive protection against bumps and scratches. It encases your AirTag completely, ensuring peace of mind when you attach it to your most precious belongings.

User-Friendly Spring Clasp Design

With its unique spring clasp design, the Moshi AirTag Key Ring can be attached quickly and conveniently to bags, keys, luggage, and more! No need for buckles, studs, or rings.

Durable Materials

Built with high-quality materials and precision stitching, the key ring is designed for long-lasting use. The robust metal alloy clasp can withstand the rigours of daily life, keeping your AirTag secure for years.

NanoShield™ Anti-Microbial Treatment

Moshi's proprietary NanoShield™ treatment keeps your AirTag Key Ring hygienic by neutralizing germs and bacteria on contact. An added layer towards protection against possible infections.
