- Premium Build
- High-Speed Connection
- Flat Design
- Extended Warranty
- Generous Cable Length

Premium build
Garner the benefits of high-quality build and engineering with the Moshi Gigabit Ethernet Cat 6 Cable. Crafted with robust materials and precise design, this premium cable guarantees lasting use and optimal performance.

High-speed connection
Effortlessly connect to the internet with unparalleled speed. Enjoy a high-bandwidth capacity of 1000 Mbps, ensuring a swift and reliable internet connection perfect for maintaining productivity or enjoying high-definition entertainment.

Flat design
The Moshi Gigabit Ethernet Cat 6 Cable has a unique flat design that makes it easy to deploy around tight corners with minimal physical interference. This makes for a neater and safer setup, reducing accidental disconnections or trip-overs.

Extended warranty
Invest with confidence knowing that Moshi backs their product with a standard two-year warranty. Remarkably, upon registration of the product on moshi.com, this warranty extends to a total of 10 years from the time of purchase.

Generous cable length
With the Moshi Gigabit Ethernet Cat 6 Cable, you have a generous length to work with. The cable spans 11.8ft (3.6m), creating flexibility and reach for your connection needs.
